RE: Cost Recovery Demand Letter/Bill for Collection  
SBA Shipyard Superfund Site (A6FX)  
Jennings, Jefferson Davis Parish, Louisiana  
CERCLA Docket No. 06-08-16

Dear Ms. Hess:

This letter is regarding the SBA Shipyard Superfund Site (Site) and costs incurred by the U.S. Environmental Protection Agency (EPA) in the ongoing implementation of its responsibilities under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. §9601 *et seq.* Pursuant to the provisions of Section XVIII, Paragraph 78.b.-d. "Payment of Response Costs" of the Administrative Settlement Agreement and Order on Consent for Remedial Investigation/Feasibility Study (Settlement Agreement) entered in Docket No. 06-08-16, demand is hereby made upon the respondents for reimbursement of response costs incurred by the EPA. This billing covers costs in the amount of \$313,292.73 incurred during the period of January 5, 2017, through February 28, 2019. Enclosed with this letter is an accounting of the costs along with the bill.

Please note, Enforcement Support Services (ESS) costs included in the cost documentation are related to Superfund documents and records support activities of the SBA Shipyard Site files. The activities include all aspects of Superfund document and records management, in particular digital conversions of documents and collections of all media for input into the Superfund Enterprise Management System (SEMS).

It is the Superfund Division's policy and national policy to digitally load or convert all incoming Superfund site records into SEMS by using Optical Character Recognition in a Portable Document Format which makes each document keyword searchable; whether in paper, image, microform, or

electronic form. Specifically, this effort will address continuation of existing document capture and conversion processes, including Administrative Records, Litigation Document Production, contracts and work performed documentation, and email handling for discovery and/or other records management related tasks.

Payment shall be made by electronic funds transfer (EFT) within thirty (30) days of receipt of this billing to:

Federal Reserve Bank of New York

The name and address of the party(ies) making payment, CERCLA Docket No. 06-08-16 and SBA Shipyard Site (A6FX) must be clearly typed on the transmittal to ensure credit.

You must send simultaneous notice of such payment, including a copy of the EFT transmittal to the following:

Chief, Enforcement Assessment Section (6SF-TE)

U.S. EPA, Region 6

1445 Ross Avenue

Dallas, Texas 75202-2733

Your adherence to these procedures will ensure proper credit when payment is received. If the EPA does not receive payment within thirty (30) days after Respondents' receipt of the bill, interest will accrue on the amount due from the date of the bill at the current annual rate prescribed and published by the Secretary of the Treasury Fiscal Requirements Manual Bulletin per annum through the date of payment. Interest will be compounded annually at a new rate on October 1st of each year.

If dispute resolution is invoked, for the purposes of interest calculation, the due date for the disputed amount (with accrued interest) is within five (5) days of the resolution of the dispute.

Please take note that an obligation of a potentially responsible party to reimburse the United States for response costs incurred by the government in performing a response action at the Site constitutes a "debt" as the term is defined under the Federal Debt Collection Procedures Act, 28 U.S.C. §3002. Any act to obstruct the EPA's efforts to collect funds from you may be considered as a violation of the provisions of the Federal Debt Collection Act. Other penalties for failure to make a timely payment may also apply.

If you have any questions regarding this billing or the enclosures, please contact Doretha Christian at (214) 665-6734. If you have any technical questions, please contact Michael Torres at (214) 665-2108. Thank you for your cooperation.

Sincerely yours,
